PRESIDENT'S MESSAGE

Homecoming was a huge success this year! We enjoyed seeing all of you who joined us for the tea and banquet. We have had many thank you notes from our guests of honor, the 50 year graduates, who had, from their comments, a perfectly spectacular time! The graduating students of the class of 1975 were also our guests.

The Board of Directors has reinstituted the traditions of the Alumni Association. On June 6, 1975 we entertained the graduates, both B.S.N. and Master's level, at a breakfast in Room 600 (Professional Building). At that time we presented a \$250 cash award to the outstanding graduate, who was chosen on the basis of patient care, scholarship, and citizenship. The recipient of this award was Miss Cynthia Myers, who represented her class at the Homecoming banquet. All graduates were awarded courtesy membership in the Alumni Association at this time.

The meeting on June 9, 1975 was significant in that the membership voted to raise the annual dues to \$6.00. As you are aware, if we are to remain an active, viable organization we were obligated to raise the dues just to keep abreast of paper and postage costs.

The Board anxiously looks forward to the participation of the new members in future meetings. It's nice to know that our ranks are once again increasing.

I wish you all a marvelous summer.

Dorothy Hughes
President

AWARD PRESENTATION SPEECH

The history of the Alumni Association of both Presbyterian Hospital School of Nursing and St. Luke's Hospital School of Nursing goes back a long time. When the two hospitals merged, much planning took place so that the Alumni Associations of both schools of nursing would merge and provide a viable, living organization which would include the graduates of Presbyterian St. Luke's Hospital School of Nursing. Ruth Johnsen is our historian and can provide you with the details of all these groups if you are interested.

I think you should be interested in knowing that we are the largest Alumni Assn. of a school of nursing in the country. Last year around Homecoming, we filed a new charter and officially voted to change our name to Rush Presbyterian St. Luke's Nurses Alumni Assn. . . . and that particular action brought us to where we are today an active, enthusiastic Alumni organization which is absolutely delighted to welcome each of you to the ranks!

I speak for the entire membership, I am sure, when I stand here and tell you how proud we are to have you join us, and it is an honor and a privilege to entertain you this morning. To paraphrase Harry Truman, the honor stops here . . . after today we expect to make you working active members right along with the rest of us and I've got a few ground rules:

- 1) Please attend our meetings—the next one is Monday, June 9th, right here in Room 600.
- 2) Don't change your address without notifying us . . . now that we've gone to all that effort to make you a member, we like not to lose track of you over the years.

Ruth and I went back over some historical data we had to try and identify the Alumni Association's participation in graduation . . . particularly in regard to honors and awards . . . and the first mention we could find was in 1939 when the Harriet Fulmer Award was presented to a graduate with the highest scholastic standing. We found mention of this same award being given between 1953 and 1959. This year the Board of Directors determined to reinstitute the tradition of granting an award based upon outstanding performance in patient care, scholastic achievement and citizenship.

The recipient of this year's award fulfills all three criteria. In the category of patient care comments consistently indicate that she more than meets the levels of performance and also that she seeks additional independent learning opportunities. She relates well with patients and co-workers and appears enthusiastic about nursing. In the realm of scholastic achievement, she has earned a grade point average of 3.647 on a four point scale and has been on the Dean's list for three out of four grading periods. The list of her achievements in citizenship include being Co-chairperson of her class, Chairperson of the Steering Committee of the now organized Student Assn., Spokesperson for the students on several occasions with the Women's Board and at our Alumni Banquet in April. She volunteered frequently for student recruitment activities and has always made a very favorable impression on prospective students. The young lady is from Washington, D.C.; she attended Drew University and University of Maryland before hearing about Rush and coming to Chicago to look over the place before making her decision to come. Not only did she decide to come, but it's my understanding that she's going to stay . . . she plans to work in Medical Nursing and to enroll in the Masters Program at Rush.

It is with great pleasure that I present the first Rush Presbyterian St. Luke's Nurses Alumni Association Award to the outstanding graduate of the class of 1975, MISS CYNTHIA MYERS!

NOTICE!

All homecoming pictures will appear
in the next issue of the
Alumni News & Views.

THANK YOU

Dear members of the Alumni Association,

I would like to thank all of you for granting me the Alumni award. To say I was surprised is an understatement, but I feel deeply honored and very grateful. The money will come in very handy as I am hoping to start graduate school this fall on a part-time basis.

I hope I speak for all the graduating seniors in thanking you for your support of our new college and hope we can be as helpful to the Alumni Association as you have been to us.

Again, Thank you all very much.

Sincerely, Cynthia Myers

PSL graduates—1

Guests—3

One of the guests was Ada Reitz Crocker. While a nice luncheon and meeting took place the group is aware of their dwindling number. Any graduate in the area is invited to contact Marie Edson, Secy.-Treas., 3232 Colorado Place, Costa Mesa, California 92626.

EDITOR'S NOTE

To those of you who anxiously wait for this issue for news of your friends and classmates, I am sorry for the delay. As usual, it takes much time to sort the quick notes scribbled at Homecoming while everyone else is talking. Also we wanted to bring you the news about the dues increase and the winner of our award to the graduate. Since these were June happenings our paper was delayed. If you did not find the news of a friend you were looking for, why not send in YOUR news and maybe that will inspire your classmates to write. Hope you all have a happy summer.

OPEN LETTER

Dear Alumni Association Members,

Having been a member of the Alumni and board member for many years, I would like to make a comment on the change of date of Homecoming.

We have had many different dates for Homecoming and found a definite date in April was the best for a large attendance. So many families have children or relatives graduating in May or June that they want to attend.

I do hope they will not change the date of Homecoming as that is a day friendships are renewed and interest in their Alumni means so much.

Sincerely,

Edna Melby Travers (SL 1926)

HELP!!!

Ruth Johnson is still in need of a "brownie" or preclinical uniform from Presbyterian to complete our collection. Also anyone having the cross grain bow from the PSL uniform is invited to donate it to the historical collection. Thank you for all the past donations. The response has been excellent.

HOMECOMING NOTES

It was truly a homecoming for me. To be greeted so warmly by Dr. Campbell and so many of my former students really built up my ego no end-at a time when I'm beginning to need it.

Thank you so much for all that you did to make our Homecoming so enjoyable.

Ada Quinell

Thank you again for the beautiful Homecoming reunion party. It showed excellent planning. Your graciousness to the graduates of 1925 was heart warming.

In addition to the many joys attending the reunion of my dear class mates, I was especially delighted to see Edna McCullough. She was one of my favorite supervisors as was apparently true of all the nurses who had worked on her floor.

I enjoyed the speaker and was thrilled over the plans for the future. I continue to feel proud and fortunate for having my nursing education at Presbyterian. With all good wishes to you and the Alumni.

Sincerely,
Martha Jenny

Am wiring to let you know and your committee know what joy you gave the Class of 1925 by honoring us at the Homecoming and the banquet, on our 50th anniversary.

The dinner was lovely and the lovely "golden" corsage enhanced the appearance of us "girls"

It was a memorable occasion for all of us—the festivities of the day were enormous. Thank all of you so very much.

T. Oscarena Lonquist

ANNUAL REPORT OF THE PRESIDENT 1975

1975 marks the fifth year that I have submitted to you, the membership, an Annual Report of the President. If I am remembered for nothing else, I shall probably be remembered as the President who raised your dues!! At the June meeting, the membership voted to raise our annual dues to \$6.00 with a proportionate increase in life membership dues. I am sure you all recognize the necessity for this increase if the Alumni Association is to continue to serve the graduates of the four schools.

During the past year, four board meetings and five regular meetings have been held; special meetings have been called as indicated.

We have presented the College of Nursing with the last of three payments which completes our pledge of \$30,000.00 for the skills laboratory.

The Golden Lamp Society continues to receive donations from alumni all over the nation and we have nearly \$17,000.00 in that fund.

In June of this year, we hosted a breakfast for the graduates of the Rush College of Nursing. At that time, we reinstituted the tradition of presenting an award to the outstanding graduate. Miss Cynthia Meyers was the recipient of this award.

I wish to publicly express my thanks to the officers, board of directors and committee chairmen for their cooperation and willingness to serve during the past year. It is their kind of unfailing dedication and support that created the organization we now have and they look to tomorrow which holds the challenge for our future development.

I wish you all a pleasant holiday season.

Respectfully submitted,
Dorothy Hughes
President

Mesdames:

We have examined the Statement of Financial Condition of the Rush Presbyterian St. Lukes Nurses Alumni Association as of August 31, 1975 and related statements of cash receipts and disbursements of the several funds for the year then ended. Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the aforementioned statements present fairly the financial position of the Rush Presbyterian St. Lukes Nurses Alumni Association at August 31, 1975, arising from cash transactions, and the revenues collected and expenditures made by it and changes in fund balances during the year then ended on a basis consistent with that of the preceding year.

Respectfully submitted,
Pinzur, Berstein, Paull & Woloshin
